AMERICAN DOG DERBY IMMUNIZATION/RABIES CERTIFICATION

I agree to furnish proof of immunization, including Official Rabies Certification on every dog that I will race in the American Dog Derby.

I agree that all dogs entered in the race must have current Official Rabies Vaccination administered by a licensed Veterinarian and accompanied by a signed Rabies Certificate. Owners must also provide proof of current Parvo, Distemper, and Kennel Cough (Adeno 2 and Para Influenza) Vaccinations.

Bordetella has been diagnosed in this area, and is highly contagious. For the safety of all dogs, if the Vets hear a "coughing dog" it will be pulled from the race. The burden of proof is on the Musher.

I agree to have proof of such vaccinations at the Veterinarian Check, and at the Mushers Meeting on Thursday, or with approval, on race day. Current proof of purchase for vaccine is acceptable. (NOT applicable to Rabies Vaccination.)

I understand that failure to furnish these records will result in my disqualification from the American Dog Derby without a refund.
